

Insinc Products are specialist suppliers of eco-friendly and sustainable cleaning and hygiene products.

What this means to you:

The products in our environmentally friendly range are safe for your health and gentle on the environment. Green Earth cleaning products are designed for commercial use and get the job done as well as, if not better than traditional cleaning chemicals, without the toxic fumes and residue. Recycled paper products are soft to use, and are oxygen bleached rather than chlorine bleached so do not contain harmful chemicals.

Our range includes:

Green Earth cleaning products – all natural, non-toxic, biodegradable, Environmental Choice
 Earthcare toilet paper and paper towels – 100% recycled paper, Environmental Choice
 Earthsmart toilet paper and paper towels – 100% recycled paper Green-One rubbish bags – oxo-biodegradable, will degrade in sunlight, water and landfill

CLEANING PRODUCTS

All-Purpose Cleaner - An ecologically sound, environmentally conscious, all-purpose cleaner, formulated to quickly penetrate, emulsify and remove grease and grime.

5L concentrate \$25.94 20L concentrate \$94.40

Glass and Surface Cleaner - cleans and sanitises at the same time. It is an all natural environmentally friendly product used to clean glass, mirrors and most hard surfaces without leaving anything behind – like harsh chemical fumes or residue. Natural way to get a streak-free clean.

5L concentrate \$22.04 20L concentrate \$76.80

Bathroom Cleaner - formulated to cut through soap scum, hard water and rust, leaving vanities and bathrooms naturally clean. Green Earth's bathroom cleaner contains natural citric acid for an extremely effective lime scale removal. The fresh plant based fragrance leaves bathrooms and restrooms sparkling clean!

5L concentrate \$25.94 20L concentrate \$94.40

Floor Cleaner - concentrated product that cleans floors without dulling the finish - with no rinsing necessary. Floor Cleaner has a neutral pH that is designed to dry without streaking. That means no rinsing is necessary after use and can be used on all types of flooring that is not harmed by water. Use on waxed floors without concern for dulling the finish. It also deodorizes as it cleans with a fresh spice scent.

5L concentrate \$24.06 20L concentrate \$89.44

Sanitiser Alcohol - An ecologically sound, environmentally conscious, broad germicidal activity disinfectant containing 70% ethyl alcohol. Green Earth alcohol sanitiser spray is a hospital grade disinfectant that is extremely effective in killing 99.9% of all Bacteria's and Viruses including influenzas such as swine and bird flu.

5L ready to use \$28.13 20L ready to use \$98.75

Toilet Cleaner - extra thick Toilet bowl cleaner performs three-steps in one process—it cleans, disinfects and deodorizes. The thick liquid is thickened with a natural eco-friendly thickener which allows the cleaner to cling to surfaces for longer to remove stubborn rust and mineral deposits. Contains natural citric acid to help remove even the most stubborn stains

5L concentrate \$29.84 20L concentrate \$112.44

HAND CARE

Liquid Hand Wash - gentle liquid soap with almond oil and lanolin to clean and protect your hands. This hand cleanser is free of any harsh chemicals, and softens hands with lanolin. Natural Liquid HandWash soap from GreenEarth is tough on grime, but easy on your hands. A totally natural liquid handwash soap formulated from natural palm oils, coconut oils, and enhanced with fragrance almond oils.
