

# Introducing New Commercial

# Earth Smart

## The EarthSmart paper range...

Is manufactured from 100% post consumer waste paper

Is environmentally friendly and sustainable

Is completely biodegradable and safe for all systems

Contains no added dyes and fragrances

Is not bleached with chlorine during the recycling process

## Recycled Paper...

Diverts paper waste from landfill

Reduces dependency on plantation forests

Uses up to 50% less water (compared to plantation fibre forests)\*

Uses up to 44% less energy (compared to plantation fibre products)\*

Reduces CO2 and methane (both key greenhouse gases)

Reduces forestry related impacts (soil, habitat, pesticides)

## Pack Information

Order Code: 41550

Barcode: 9417844415500

Paper: Jumbo 1ply 550m Unperforated

Roll Width: 95mm

Rolls per Outer: 8

Total Metres: 4,400

Pallet: 10 per layer, 4 layers
